MEMO ENDORSED

RE: Narvaez v. NYC Crane Hoist & Rigging, et al.
Index No.: 19-cv-2394

Dear Judge Parker,

I represent all Defendant(s) in the above reference case. We are scheduled for a settlement conference on December 8th with pre-settlement conference submissions due today, December 1, 2021.

I must inform the Court that in April of 2021 I was diagnosed with covid related pulmonary embolisms (blood clots) in both my right and left lung. My recovery was going well. However, in the second week of November, 2021, I came down with a non-covid related respiratory infection and due to the pre-existing condition, I have been at home convalescing since that time. I am still coughing and experiencing nasal symptoms. As you can imagine I have become persona non grata.

As a result, I have been delayed in my responses to Plaintiff in this case. We have discussed settlement and we have made an offer to Plaintiff which was rejected but when recovered I will meet with my client in an attempt to increase our offer.

I would respectfully request one final adjournment to the first week of January, may it please the Court. Counsel for Plaintiff, Ramsha Ansari, Esq., has consented to my request. I expect the case to either be settled or for document discovery to be complete by the first week of January.

I thank the Court for your attention in this regard.

Respectfully submitted

Timothy P. McColgan, Esq.

cc: Ramsha Ansari, Esq. (VIA ECF)
